

# Deep Run PBIS Quick Guide

## Deep Run Rangers lead the way!

Deep Run expectations are to be engaged, kind and responsible.

### The school pledge...

"I am a Deep Run Ranger. Today I will be engaged, kind and responsible. My success is up to me!"

### Celebrating Positive Behavior

**Praise:** Lots of it. Staff gives positive reinforcement by giving students direct and specific praise.

**Bear Bucks:** Students earn rewards for demonstrating engaged, kind and responsible behavior, such as perseverance, good effort, being prepared and helping others. Bear Bucks are traded for rewards.

**Ranger Mart:** Students are able to purchase items from the Ranger Mart with their Bear Bucks.

**Ranger Club:** Quarterly school-wide celebrations.

### When a student's behavior does not meet school expectations, ALL staff follow school-wide consequence procedures

These procedures are based on 123 Magic strategies and are as follows:

Student receives their first reminder (off-task behaviors, interrupting instruction, etc),

\*teacher responds with the child's name and "that's one"

If the behavior continues, the student receives their second reminder,

\*teacher responds with the child's name and "that's two"

If the behavior continues, the student receives their third reminder

\*teacher responds with the child's name and "that's three, take five"

- the student is sent to the **take five** area with their work and a timer is set for five minutes.

\*\*There may be multiple **take five** areas if needed for more than one student.

If a student gets to a 2<sup>nd</sup> **take five** or an automatic **take five** (unsafe or extreme behaviors) the student is sent to the **take five** area to complete a Ranger Reflection form. After a **take five**, the student rejoins instruction and gets a fresh start.
