

Students, Parents, Guardians, and Caregivers
You are invited to the DRES

Maryland Science Center

FAMILY SCIENCE NIGHT

Provided By Deep Run Elementary School

Sponsored by Title I and the DRES STEM Committee

Tuesday, January 9, 2018

6:00pm-8:00pm

Activities include:

- Identify common cooking ingredients using chemistry
- Extract DNA from a living organism
- Learn and perform lightning-quick stunts to amaze your friends

Plus more science fun and prizes!

Let's science

Students and their families will participate together in hands-on STEM activities facilitated by staff from the Maryland Science Center. There will also be exciting engineering and coding challenges for students and their families to complete. STEM fair information will also be shared. ***This evening is designed for students to work alongside a supervising adult.***

Please complete the registration form on the back and return it to school by Thursday, December 21st .

If you'd like to sign up to participate in the event, please fill out and return the bottom portion of the form to your child's teacher by Thursday, December 21st.
