

Grab 'n' Go Breakfast Comes to Our School

A Grab and Go breakfast model will be introduced at your school starting **March 5, 2018**. It is another convenient way to offer breakfast and requires less time to prepare and serve.

This alternative method will eliminate long wait times in breakfast lines and reduce tardiness. Breakfast meals can be picked up in the cafeteria or at breakfast stations/kiosks in strategic places throughout the school building. Students will be allowed to eat breakfast in classrooms, hallways or other designated venues in the school.

Breakfast at your school will provide children with a healthy and energizing start to their school day. Please encourage your child to participate in our school breakfast program, which meets federal nutrition standards and limits fat, calories and sodium.

START your day the right way with Grab and Go school breakfast!

Take advantage of the healthy choices available for school breakfast! School breakfast will give you **MORE** energy, keep your body healthy, and help improve your grades!
