

DRES Electronic *Student* Resources

visit <https://hcpss.me>

Students log in with their own username and password.

Canvas

Canvas is a Learning Management System for digital teaching and learning. Access it to view learning resources that teachers have gathered, important calendar events, and communicate with teachers.

G Suite

Communication and collaboration applications that allow students to work from any device on documents and projects.

Clever

Access Clever for even more web-based applications!

DreamBox

DreamBox is an online, adaptive learning program. This program will help students achieve improved math proficiency. There is a free DreamBox App for iPads also available. When using Dreambox on an iPad, you need to download the app first. However, you log into Dreambox from the website <https://hcpss.me>. The app will automatically open when you log in on the Clever page.

MackinVia

Digital books, Audio Books, Online Databases. For example, Brain Pop, Pebble Go, Tumblebook Library, World Book, and Sirs Discoverer

PAC

Catalog for print materials in the Media Center

Wixie

Wixie is an online publishing and creativity platform tool where students can write, paint pictures, and tell stories.

Typing Agent

Students in Grades 2 - 5 can learn and practice keyboarding from home or school.
