

Parents, Guardians and Caregivers

DRES Title I Learning Series

You are invited to participate in a special series to help your children excel at school and at home! Come and learn how to support your child’s mathematical learning. Attendees will engage in a problem solving task and will learn multiple strategies for computation in primary and intermediate grades. There will be an opportunity to explore apps and websites.

Where: Deep Run Elementary School Cafeteria

Table with 2 columns: Date, Session Topic. Rows include April 1st (Math: How to Support your Child at Home) and May 9th (Reading: Details to follow).

Please sign and return the bottom of the letter to your child’s classroom teacher by Wednesday, March 27th, 2019.
