post-it sticky notes--lots
glue sticks
index cards
large and small ziploc bags
tissues
hand sanitizer
pencils--lots

DEAR PARENTS,

Each May we take a week to say a special thank you to the teachers at Deep Run for all their hard work. This year, Teacher Appreciation Week is May 7 – 11. One of the things we would like to do this year is help out the teachers by restocking some of their classroom school supplies. By this time in the school year, their supplies are starting to get scarce! It would be such a great help to the teachers if you could take a look at their lists on the back of this sheet and donate one or two things to their classrooms. Anything you can donate would be a great help in the classrooms for teaching our kids each day! You can send items in with your - child anytime during the week of May 7-11. Thank you for helping to support our great teachers!!

DRES PTA
