Back-To-School Night & Title I Annual Meeting

Thank you for joining us in September for Back-To-School Night & the Title I Annual Meeting. During this evening you learned that Deep Run is a Schoolwide Title I school. We are provided additional funds and resources to help ensure the academic needs of all students are met.

For the 2016-2017 school year, DRES will focus on the following areas:

- **1. Increase the amount and quality of higher level questions asked by teachers and students in both reading and math**
- **2. Increase students' stamina in the areas of reading, writing, and mathematical problem solving tasks.**

We Want to Hear From You!!!

- The school and Title I program values parent perspectives. We appreciate any suggestions, comments or questions from our families. Please provide feedback after Schoolwide programs and the annual survey. Parents are also welcome to email the Title I staff or school administration if you have any questions or feedback.
- There are a variety of Title I information and resources available on our school website.
