

Offering instructional programs specifically designed to engage and expose elementary girls to computer science.

Visit [www.HowGirlsCode.com](http://www.HowGirlsCode.com) for information and registration.

**Tynker** programming includes a lifetime license to Tynker.com where girls work through fun coding adventures using drag and drop programming.

**School:** Deep Run Elementary School

**Who:** Girls in 3rd - 5th grade

**Dates:** February 24th - March 18th

**Day and Time:** Mondays and Wednesdays, 4:00 - 5:30pm

**Instructors:** Robin Stevens, [Robin\\_Stevens@hcpss.org](mailto:Robin_Stevens@hcpss.org)

Dorothy Rosenberry, [Dorothy\\_Rosenberry@hcpss.org](mailto:Dorothy_Rosenberry@hcpss.org)

\*This class is FREE through the generous support of HowGirlsCode & a private donor.

**Inclement Weather** If after school activities are cancelled for HCPSS, HowGirlsCode classes will be cancelled as well. One class per session will be rescheduled in the event of an inclement weather cancellation.

HowGirlsCode, Inc. is a 501(c)(3) non-profit organization that provides computer science instructional programs to girls in Howard County, Maryland.

The information is neither sponsored nor endorsed by HCPSS or the school.
