Parents/guardians may make appointments at any of these locations; whichever is most convenient for them.

Multiple vaccines, many of which are required for school entry, will be offered. These vaccines will be provided at **no cost**. Upon registration, parents will be able to choose which vaccines their child needs.

Clinics will be held outdoors, and will utilize a virtual queue program so families can wait in their cars or away from the clinic. Families are encouraged to wear a face mask or other face covering.

Families can check md.myir.net to see which vaccines your child has already had, or contact your school nurse to determine what is needed.

Pre-registration online (due to Covid-19, we will be paperless at these clinics) is required; go to www.vaccineconsent.com

Registration is open from August 25-September 9.
